Subject: Active Duty Assignments with CAP Tow Target Units

To: All Unit Commanders

1. A number of active duty assignments are now available for mechanics, radio technicians, service technicians, and security technicians in CAP Tow Target Units stationed on both the Atlantic and Pacific Coasts as a result of personnel losses through Selective Service induction and through the calling to active duty of Air Corps Enlisted Reservists.
2. CAP Tow Target Units function under the provisions of Operations Directives No. 41 and No. 42, this Headquarters, 1 January 1944.
3. Appointments are limited to qualified CAP personnel who have attained their 38th birthday or who have Selective Service Classifications of 4-F and are available for periods of ninety (90) days or more.
4. Active duty applications (CAP Form No. 624) from any qualified personnel who are interested in such assignments should be forwarded to National Headquarters at once.
5. Wing Commanders are requested to forward copies of this memorandum to all units of their command.

By direction of National Commander JOHNSON:

HARRY H. BLEE  
Colonel, Air Corps  
Operations Officer
